SENIOR EDITION

1986

EL CABALLERO

'68 and '86. The year most of us were born and the year we all graduate. With a mere switch of the digits, we can represent two of the most important events in our lives.

This seems to be more than coincidence. This year, fads in fashions, music and attitudes -- from stirrup pants to Prince's psychedelic album to political demonstrations on college campuses -- have been reminiscent of the late 1960's.

And that's why the Beatles are on the front cover of the Cabby's 1986 Senior Edition. IT'S DEJA VU. They represent 1968, the year most of us started out our lives. And by doing that, they also represent 1986, the year we start out our lives all over again.

SENIORS IN COMPETITION

Science Fair

This year, Peter Yu competed with great success in Bay Area Science Fair. After winning the local contest, he went on to take first place in the San Francisco Bay Area Science Fair in the mathematics division. In addition, Yu won the Physics International Award and USAF. Yu's winning entry was titled "Cycle Numbers." Yu was the only senior to enter the Science Fair this year.

Academic

Four seniors competed in this year's Academic Decathalon. Carol Tang, Judy Chang, Cathy Li, and Alice Wu all made significant contributions to the team.

In addition the being the leader, the one who held the team together when Mr. Fabini, the advisor, wasn't avaliable, Carol Tang took a first place gold medal in the Language and Literature division. She also placed fourth in the impromptu speaking contest.

Judy Chang placed fourth in the Fine Arts category and Cathy Li. Alice Wu also performed well, showing strong, consistent scores in all areas. All the seniors proved by their preformances that they are well rounded in many areas.

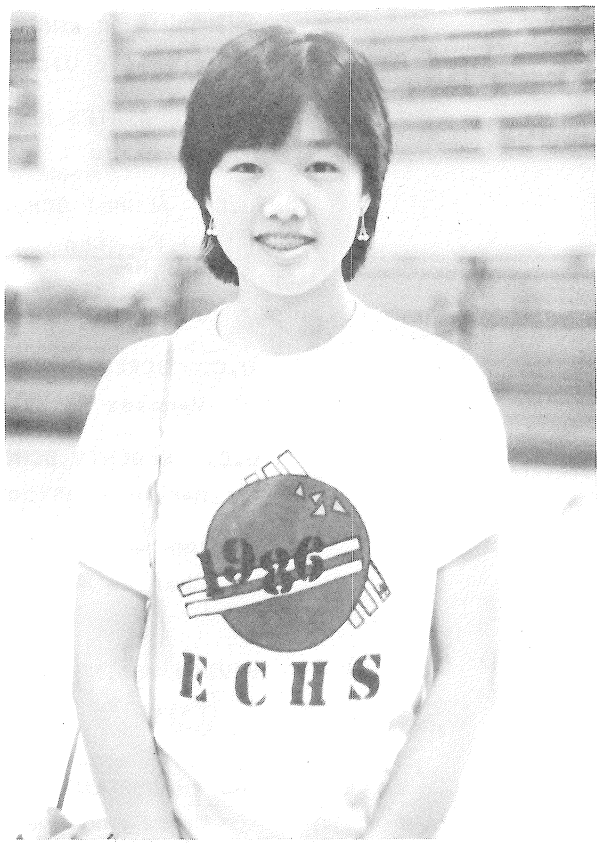
JSA

by JSA President Timothy Yee

Without any doubts, the 18 seniors in the Junior Statesmen of America have been active. Before I set out to prove this thesis, allow me to first explain what JSA is. It is an organization devoted to increasing the awareness of youths in government and politics. This objective is to achieved through debates, thought talks, mock trials, political work, and lectures. With that concluded, I shall now justify my original statement.

In the area of debates, the name Aaron Kirkham comes to mind. Kirkham participated in several conferences debating topics from computers to the standard of living. In moderating, Roy Harju has excelled. He performed this function at Gilroy despite last minute notification. In the area of poltical work, John Prelock has worked for an anti-nuclear group. Others of note are JSA treasurer Elaine Walenta, participant in thought talks and Andrew Sullivan who participated in subsequent speeches.

Lack of time and space prevents me from mentioning the other seniors who are no less important. Given these examples , it is obvious that the seniors have been active in the JSA. Thus having proved my original statement, I conclude.



Forensics

With the help of senior competitors, '85-'86 has been a good season for the ECHS Forensics Squad.

One of the top senior competitors is Debra Lowe. She is a veteran of the squad and has competed since her freshman year. She has done well at the league tournaments where she has taken second and fourth place for expository speaking. Her ability has taken her to two state tournaments. In addition to the league tournaments, she has also done well at invitationals which attract competitors from all over the country. Last year, Lowe took fourth place in expository speaking at Loyola Marymount University in Southern California. This year she took fourth place at the UC Berkeley invitational. In addition, Lowe has competed in the Lion's Club speech competitions. She took first at the club and zone divisions and was a finalist in the regional competition.

Another four year veteran of the squad is Carol Tang. Tang has done especially well this year, particularly at the invitationals. This year, she placed third at the Del Norte Invitational and second at UCB. Both were for expository speech. Tang also placed second at one of the league tournaments this year. Besides competing, Tang is also involved in keeping the team together. She has been the organizer of several fundraisers and she is also responsible for keeping the score record of every competitor.

Linda Jorgensen, another four year competitor, has tried her hand at many different events including expository, advocacy, oratory, and debate. Jorgensen has been a finalist at many league and invitational tournaments throughout her four years on the squad. She has, along with Lowe and Tang, earned her degree of distinction. This degree is the second highest honor in the National Forensics League.

The following seniors have earned enough points for either a degree or membership: Nancy Cayton, Cathy Li, Jennifer Wong, and Vicky Yap-- degrees of Excellence; Margot Cunningham and Gabriela Diaz-- Honor; Judy Chang, Keeva Coe, Scott Furuta, and Elaine Walenta-- MERIT.

NOTE: Although Elaine Walenta Has not not competed extensively, she has done extremely well in Dramatic Interpretation. he took fourth place in DI at the Del Norte Invitational this year.

Mathletes

Led by seniors James Chiu and Peter Yu, the ECHS Mathletes club has been very successful this year in their monthly competitions against other East Bay high schools. Around 150 to 200 students from 8 schools are involved at the tournaments where groups of 5 students each compete for team scores.

The El Cerrito first team made up of Chiu, Yu, juniors Po Yung Chang, David Donovan, Huy Lai and Ross Okamura have taken first place quite a few times this year. They led El Cerrito to second place ranking among the East Bay League.

Chiu and Yu have been with the team since their freshmen year and were on the first place team last year too. Yu is this year's team captain. Mathletes has helped him in preparing for other math competitions, such as the National Math Exam in which he qualified for the American Invitational Math Exam both this year and last. For him, Mathletes is a "learning Experience" where "you learn what you didn't know."

Yearbook seniors commemorate '86

The definition of a yearbook is a yearly publication, summarizing events and activities of the past year. Therefore the seniors of the yearbook staff must be dedicated to their job, and they are. Who wouldn't be? They want their last El Camino to be the best it can be.

This year's senior yearbook staff consists of Donna Hotta, Hilary Sortor, Natalie McAfee, Christina Cotton, Iggy loyola, Dillon Auyoung, Ritchie Nihei, Damon Patino, Ian Schnaidt, Wayne Chin and Sommy Ounkeo. Last but not least, and most importantly, the editors, Shari Nihei and Lei-Ann Morita.

Co-editor Lei-Ann Morita had this to say about her yearbook experience,"You always have to have original ideas. The people who judge and give the awards always look for originality." Thanks to Lei-Ann, Shari, and Ian, and others who were on the staff last year, the 1985 El Camino won a well deserved award.

Talk about dedication! This years editors went all the way to San Diego over the summer to take yearbook workshops. "It takes alot of time and dedication and you have to take charge but its worth it in the end," said Shari.

"Anyone who is seriously considering photography as a career should take yearbook," says photographer Hilary Sortor in her parting words,"You can perfect your skills as well as learn cropping and editing. It can be stressful but its fun."

Hopefully, for the seniors (as well as the rest of the staff) the 1986 El Camino will pay of for the hard work and determination and reap in another award. One that the seniors can feel proud of as they leave E.C.H.S.

MOMENTS TO REMEMBER

My most memorable moment at ECHS is...

Aside from once hiding from some El Cerrito cops in the patio tree, thus earning my membership in the Midnite Club, my most memorable moment was probably trying to get up and down the stairs of the main building on crutches after my horse landed on top of me.

-Hilary Sortor

During my sophmore year at the CSF Santa Cruz trip, my friends and I had a water fight on the log ride and we got so wet that we had to squeeze the water out of our shirts. The ride attendant laughed and said "It's only water," so we plotted to get HIM soaked, however, our plan backfired and we ended up getting a whole bucket of water dumped on top of us. Again, we squeezed the water out of our shirts...

-Debbie Lowe

When I was in Ms. Burgess' Dance class in 10th grade., we had to be evaluated on video tape. I got out there with five other girls, the music started up, we started dancing, and within 15 seconds I had tripped over my own feet and fallen on my behind wearing hot pink spandex, ON VIDEO TAPE. I think she still shows it to new people to show them what not to do.

-Diana Boeke

Being hung upside down by my shoelaces on a tree outside the band room.

-Vanessa Shank

When the Beaverton High Choir came to sing for Vocal-Jazz Ensemble and they called me up on stage to be serenaded by their guys who sang "Toot-toot-tootsie" to me while I blushed bright red...

-Carolyn Brooks

It seems that when you need friends the most, they are fortunately always there. The students at El Cerrito are no exception. When I broke my leg back in the ninth grade and had to walk on crutches, people I had never seen before offered to open doors for me while closer friends offered to hold my backpack. Still others I had not known too well helped me catch up on homework as many more expressed their concerns. I also received several "get well" cards; one was from an entire class. Indeed, the warmth and kindness of all these people make this moment my most memorable at ECHS.

-Charles Wang

Dislocating my kneecap in Ms. Burgess's dance class.

-Joleen Welch

One day, after the crash at Sun Valley Mall, a plane had been doing tricks in the air. I thought it was coming down (me and the whole school). It had been rainy, I slid in the grass, my hair and my clothing were full of mud.

-Tonya Katrina McInnis

When a friend's car rolled down the hill on Lincoln St. and ran into somebody's house. All you could see was a white Datsun on their yard with the rose bushes.

-Danielle Tillman

When everybody was out for lunch, everyone was on the grass enjoying themselves when an airplane came flying over ECHS doing tricks and coming down low like it was going to crash. People started running and screaming. People were sliding on the grass because the grass was wet. They looked like little ants going in different directions.

-Alvina Cole

Coming to school with blonde hair for the first time.

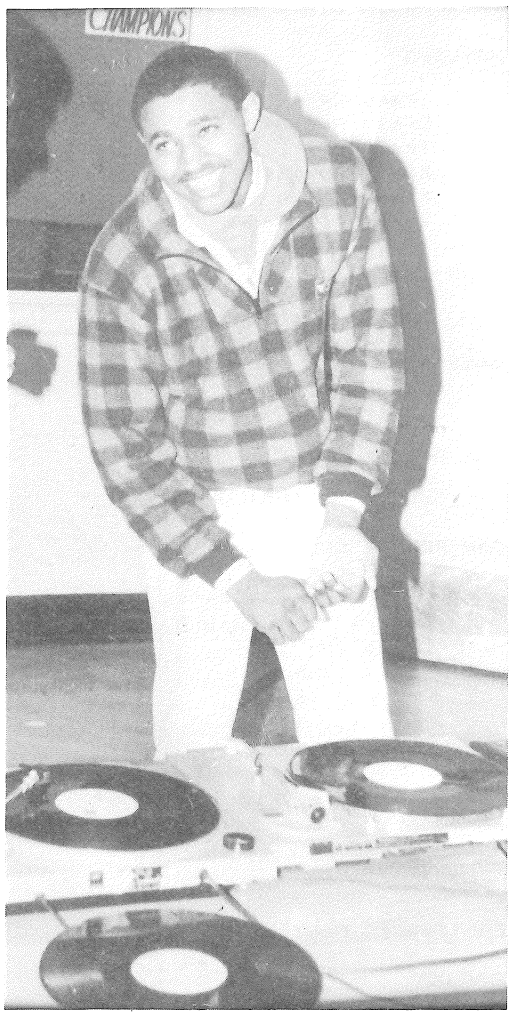
-Shani Yokoyama

When we (the varsity football team) played against Kennedy and I caught the pass to win the game in overtime, 22-21.

-Valcour Carroll

Being yelled at by Mrs. Mehlhorn, my English teacher, for talking in class. She also said I finally became an "average American teenager."

-Peggy Han



Seniors soar at Thespians

What can I say about the Thespians that hasn't already been said? This brave group of young men and women spearheading the movement for excellence in the theater take the fore front in most of the production here at El Cerrito. The vanguard of this troupe is the seniors.

Leading the pack is president Carolyn Brooks. This year, students saw her in the Thespian talent show. Last year, she held major roles in such shows as "Abything Goes" and "The Curious Savage."

Vice-President Elaine Walenta is one of the major movers and shakers behind the drama department at ECHS. This year she took the leading roles in "I Remember Mama" and "Bye, Bye Birdie" as well as directing the Thespian show "The Prince and the Showgirl."

Treausurer Jenny Soller also took part in the talent show, as well as taking the lead in last year's "The Curious Savage."

Other seniors in the Thespians include Damon Fries and Tim Yee, two invaluable members of the backstage crew. Without people such as these two, the productions could never have been mounted.

You may have seen Christine Akinaga and Mark Anderson in various shows throughout the year. And who can forget Jennifer Vlahos, Susan Morrison, Eric Fosselius and Monu Singh in such shows as "The Prince and the Showgirl" and "Bye, Bye Birdie." But these are merely a few of the more active of this year's senior Thespians. There simply isn't enough space to list the fantastic achievements of each and every one of them.

Gridders struggle through tough season

With tough scheduling, injuries, and bad luck the 1985-86 El Cerrito High varsity Football team struggled through a mediocre 4-4-2 season, losing the RBAL title for the first time in five years.

EC's non-league schedule was the toughest in several years. The Gaucho's played the two top-ranked teams in the East Bay, De La Salle(NCS 2A Champions) and Washington of Fremont, not to mention this season's NCS 3A Champion Pittsburg Pirates.

Besides the scheduling, injuries also played a big part in the Gaucho's season. Junior running back Patrick Lewis sat out most of the season due to injury and junior tight-end Bobby Joseph went down with a knee injury against Pittsburg. Starting senior defensive backs Aaron Isom and John Walker also missed games because of injury.

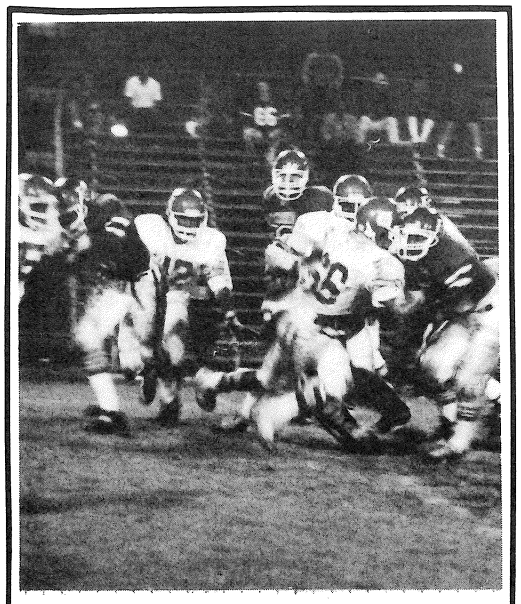
The Gauchos opened the season in Vallejo and beat a tough Vintage squad 14-3.

EC came from behind to beat Pittsburg 20-14, in the Gaucho's home opener. It was sweet revenge for EC as the Pirates were the only team to beat the Gauchos in the regular season last year 21-20.

Washington(then ranked #2 in the East Bay) blew EC out 46-14. A bright spot for EC was junior quarterback Brad Brown who completed 20 of 32 passes for 245 yards.

Oakland came into EC and stole a 18-12 win on the last play of the game. Wildcat wide receiver Fred Thomas took a crossing pattern pass and raced 77 yards for the unbelieveable win. De La Salle showed why it was ranked #1 in the East Bay by crushing the Gauchos 35-0.

With a few breaks EC could have won the RBAL Title. In league games against Kennedy, De Anza, and Berkeley a few plays made the difference in the game. Senior running back Torey Lovett stated "we should have beat Berkeley, De Anza, and Kennedy, the season should have been a lot better."



Gauchos battle Oakland Wildcats in a wild and shocking game.

In EC's league opener and Homecoming game the Gauchos battled the Kennedy Eagles and settled for a 14-14 tie. EC appeared to have won the game on a sophomore Kevin Harris' 97 yard interception for a touchdown but a clipping penalty negated the score.

The Gauchos travelled to De Anza and again settled for a tie. EC had a chance to win with four seconds left but senior tight-end Tony Carroll couldn't handle a high Brown pass in the back of the Gaucho end zone.

Against Berkeley, EC failed to score in their own territory on three golden opportunities. Brown threw two interceptions inside EC's 12 and the Gauchos wasted an Isom fumble recovery on their own 31 yard line. The Yellowjackets rallied for two late fourth quarter touchdowns to upset EC 13-12.

In the last two games, EC showed what can happen by capitilizing on turnovers. The Gauchos scored 94 points against Pinole and Salesian while only scoring 99 points in the first eight games.

Senior lineman Mike McColery and senior linebacker Gerrell Cunningham explained that EC wanted to "go out with a bang" and that's why they scored so many points in the last two games.

EC evened its league record at 1-1-2 by pounding Pinole 51-22 in the RBAL finale. The Gauchos converted Pinole turnovers and simply dominated the game. The Spartans fumbled twice leading to EC's first 14 points. Gaucho senior Remick Wright scored three touchdowns while Lovett had two. Brown passed for TD's to Harris and Freddie Abdullah.

In the last game of the season, EC capitilized on Salesian miscues to win 43-28. Wright took the opening kickoff 75 yards for a quick score and EC led 7-0. EC turned a Chieftain muffed fake punt and fumble into two TD's. MuMin bolted 26 yards for a score and Brown hit Carroll for a 25 yard TD giving EC a big advantage. EC later scored as Brown tossed a 47 yard pass to Abdullah for a TD and Wright and MuMin each rushed for another score.

Most of the graduating seniors were on the defensive unit. Senior All-Leaguers included Mike Thomas, Craig Nelson, and Marlon Perry. Perry, who has been receiving letters from several colleges, also was named to the All-County Team while getting Honorable Mention for All-East Bay. Perry was disappointed with the season, feeling the team "could have done a lot better."

Offensively, Lovett made All-League while Carrol received Honorable Mention. Lovett plans to attend Cal and give up football to concentrate on his studies. Seniors Amer Moorhead, Wright, MuMin, and Art Pangelina, also contributed to the Gaucho offensive.

Next seasons team looks good. Most of the offense is returning and with junior All-Leaguers Erik Jackson and Greg Roberts anchoring the line, EC promises to be tough. Harris, an outstanding player with a bright future may play both defensive back and wide receiver next season.

Women's soccer team makes debut at ECHS

by Veli Lehman

The first ever El Cerrito women's Soccer team struggling through an inexperienced season will lose only three seniors to graduation.

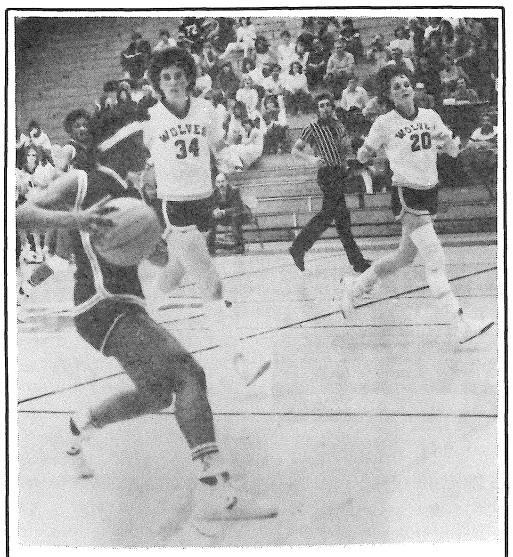
Senior goalie and Most Valuable Defensive Player Hilary Sortor, senior left fullback Jennifer Wong, and senior point fullback Teresa Poy will all be missed from the starting line-up.

While the Gauchos were not the best team in the league this year, they did show impressive wins over Encinal and Alameda. Junior Jennifer Bartholomew received the Most Valuable Offensive Player award. Bartholemew led the Gauchos to their win over Alameda scoring 5 of 6 goals.

The Lady Gauchos did win an outstanding award for the highest grade point average in the North Coast Section with a cumulative G.P.A. of 3.47. Leading the Gauchos to this award was 4.0 freshman halfback Erin Wiseman.

Also returnin next year to help form a stronger team will be juniors Shannon Wimberly and Michelle Barroca. These players will form the base of the 1987 Gaucho team. With the experience gained this year, the Gauchos will undoubtedly improve their record next season.

Trip"L" threat leads EC Gauchos to second RBAL title



Junior Lauren Strickland.

The 1985-86 El Cerrito High women's Basketball team used the trip"L" threat of juniors Lisa Nakamura, Linda Schultz, and Lauren Strickland in winning their second consecutive RBAL crown.

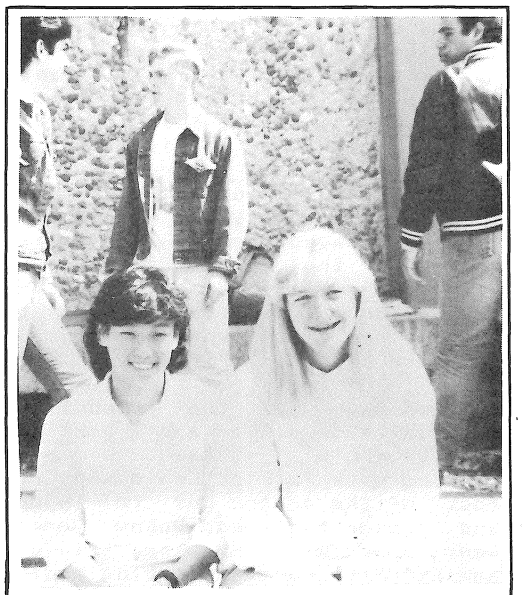
The three L's, each named to the All-RBAL first team keyed the Gaucho attack. Nakamura, EC's point guard, did an outstanding job running the Gauchos. Schultz, led EC in scoring and made the All-East Bay team. Strickland also contributed with good shooting and solid rebounding.

No one in the RBAL could match EC as the Gauchos tore through league play posting a perfect 8-0 record. EC continued its dominance in the RBAL playoffs by downing De Anza and the host Berkeley Yellowjackets.

EC entered the NCS playoffs with the East Bay's No.6 ranking and high hopes of reaching the finals. After winning a 47-46 thriller over Clayton Valley, the Gauchos were eliminated by Granada(who eventually won the NCS Championship) in the semi-finals 48-40.

Nakamura sank a free throw in the final seconds to hold off Clayton Valley in the first round of the NCS playoffs. EC blew a 39-16 halftime lead but held on for the win powered by Nakamura's 13 assists and five points, Vicky Kalu's 11 points and 11 rebounds, and Linda Schultz' team high 13 points.

The Gauchos were not as fortunate in the semi's. The game was deadlocked at 37-37 midway through the fourth quarter but Granada outscored EC 11-3 down the stretch. EC ended with a 22-6 overall record. The three L's joined by freshman Vicky Kalu and junior Janet Schultz made up the starting line-up. Both Schultz and Kalu made honorable mention for the All-League team.



Lisa Nakamura and Linda Schultz.

Next season's team will be as strong, if not stronger than this season's team. Tina Lai is the only senior on this year's team. Next year's team will be greatly experienced and loaded with talent. The entire starting line-up is returning and along with juniors Angela DeSimoni, Kristine Mayeda, Lydia Winston and Kari Chew, sophomore Amy Page and freshmen Casie Espinosa and Veronica Kalu, the team should again win the RBAL crown and challenge for the NCS Championship.

X-country captures NCS title

Men's team places 3rd

by Veli Lehman

The men's and women's X-Country team, running past much of their competition, completed the season with an excellent record. The women's team demolished all competition to win the North Coast Section title while the men's team placed an impressive third. Their achievements of the year led them to be the best combined (mens and women's) team El Cerrito has ever had.

Led by senior Most Valuable Runner Teresa Poy, the women's team won the Lowell-McAteer Invitational, Westmoor Invitational, Soquel Invitational and placed an outstanding 6th place at the Stanford Invitational. The Stanford meet consisted of the best runners and teams from California, Nevada and Oregon. The Gauchos also won the RBAL title, NCS title, and compiled a 5-0 dual meet record.

After outscoring Berkeley 18 to 43 for the RBAL title the women's team then went on to win the NCS title with 74 points. Monte Vista was second with 88 points. Junior Veli Lehman placed 2nd behind Monte Vistas Kristen Hansen. League champion Debra Binnall placed a close 3rd while Teresa Poy placed 5th. An injured Marisa Gardella

Senior runner Teresa Poy.

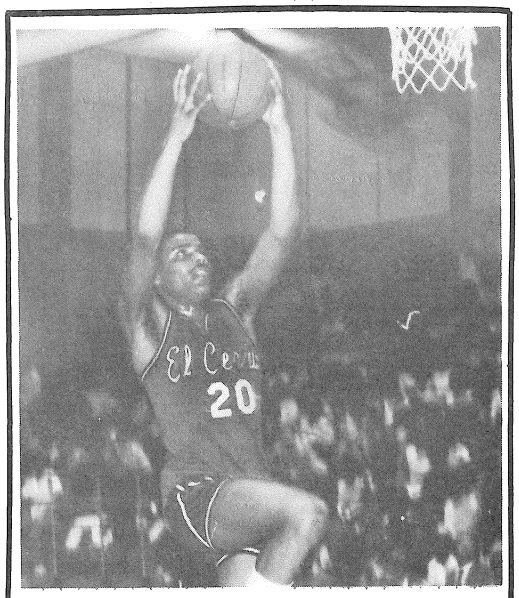
29th, Lori Okamura 45th, Rosie Stoneall 62nd, and Jenny Kakigi 82nd finished off the winning team. Hoping to advance to the Nor Cal championships the Gauchos fell short of their goal by 1 point. In order to qualify they needed to place in the top 3 teams or 6 individuals. Unfortunately the Gauchos tied for 3rd and fell to 4th behind Mission San Jose on the tie breaker. Poy just missed an automatic berth with her 7th place finish. Lehman placed 8th and Binnall 10th. Gardella was unable to finish because of a serious shin injury. Okamura 72nd, Stoneall 103rd, and Erin Wiseman 108th rounded out the varsity team.

The mens team also completed an outstanding season led by senior MVR Anthony John, and most inspirational runner Stuart Wiseman. The Harriers placed 2nd at the Lowell-McAteer, won the Westmoor Invitational, Stevenson Invitational, Soquel Invitational, RBAL title, placed 3rd at North Coast and ended with a 4-1 dual record. They lost only to Clayton Valley, the eventual North Coast Section champions.

The men's team demolishing the Yellowjackets to win the RBAL title 16-40 also hoped to win the NCS title but fell to 3rd behind Clayton Valley and Monte Vista, because of illness and injury. Wiseman led the Gauchos with his 12th place finish. League champion Alex DaSilva 17th, John 20th, Steve Turnipseed 31st, Ray Yokoi 41st, Morgan McClarty 44st and Dan Payne 67th rounded out the varsity team. Finishing in the top 6 enabled the Gauchos to advance to the Meet Of Champions. Wiseman led the Gauchos to their 6th place finish at the MOC with his 9th place f'-ish.

Like the girls Wiseman was close to qualifying for NorCal but not close enough. He missed qualifying by 3 seconds.

HOOPSTERS FINISH FOURTH



Brent Daniels goes for two.

The 1985-86 men's Basketball team suffered through a disappointing season with a young and short team. EC only had three returning varsity players and no one over 6'2". Despite these disadvantages, the hoopsters still managed to take fourth in the RBAL.

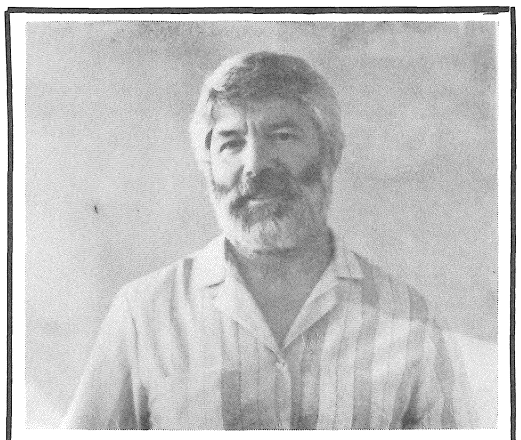
EC highlighted a tough non-league schedule with a second-place finish in the prestigious Gridley tournament. The team's lack of experience and height hurt in non-league games as many of their opponents were experienced and especially taller. The lack of height was a critical factor in the team's downfall.

EC went 3-5 in league play with two wins over Pinole and one against De Anza. The first win in Pinole came in dramatic fashion. Senior Brent Daniels sank a free throw with :02 on the clock for a 43-42 win. At home, EC downed Pinole 62-52.

Although EC's closest game was against Pinole, the most satisfying game came against De Anza. The Dons were challenging Berkeley and Kennedy for the top spots in league before EC upset them 78-65. This was especially satisfying because the Gauchos lost a close one down in De Anza territory in their previous meeting. Junior point guard Raymond Ford dominated on De Anza scoring 23 and 19 points in their two games. In EC's win over De Anza, Ford and Daniels each scored 19 points.

EC advanced to the RBAL playffs but lost in the opening round to the eventual league champion Berkeley Yellowjackets.

Ford was the only Gaucho named to the All-RBAL team. Daniels earned Honorable Mention for All-League. EC got strong play from seniors Robert Churchill, Damone Kirtley and Rod Battle. Next year, the Gauchos may again struggle with a lack of height but returning players Quenten Youngblood, Anthony Colbert, Brandon Lee, James Sloan, and Ford should all play well.



Retiring coach Bill Lawler.

EC shares title

In wrestling coach Bill Lawler's last season, the El Cerrito High varsity Wrestling team surprised everyone by ending the season in a three-way tie for first place in the Central Conference. The Gauchos were not expected to take first in league but led by a host of seniors, the Grapplers proved that they were champions.

The Gauchos went 6-1 in league as did Albany and the defending champion De La Salle Spartans. EC beat Albany 33-21 powered on wins by seniors Amer Moorhead and Bryan Singleton (technical superiority), Derek Calhoun 11-10, and Robert Douglass pin in 1:31. In the last league meet, De La Salle held on for a 30-26 win leaving the three-way tie for first.

EC's senior wrestlers Singleton, Moorhead, Douglass, Calhoun and Josh Green dominated throughout the year. Singleton won his second league championship and had an outstanding 32-5 record in the 134 pound weight class. He was the team's Most Valuable Wrestler and did well in the NCS tournament. At 128, Moorhead won his second league championship and sported an impressive 26-7 record. Douglass, a 178-pounder, recorded 23 pins over the season, breaking EC's old record of 20. He had a 26-7 record and placed third in league. Calhoun registered 21 pins on route to a 24-9 record in the 168 pound division. Green, EC's 141-pounder, had a 19-12-1 record and took third in league.

EC wrestling coach Bill Lawler plans to retire from wrestling. However, Lawler likes EC's chances next season. "They have a good team. They'll be tough next year," says Lawler. The team will be led by juniors Shawn Garrett, Joe Shrum, and Dan Ward. Garrett won the league championship in the heavyweight division and should be good next season. Shrum, 24-8, placed third in league at the 115 pound weight class. At 191, Ward took third in league despite a 4-6 record.

Coach Lawler was pleased with the season especially since EC was not predicted to do so well. The Gauchos will miss Lawler's leadership and guidance but should have a very successful 1987 season.

TRACKSTERS WIN NCS TITLE

by Veli Lehman

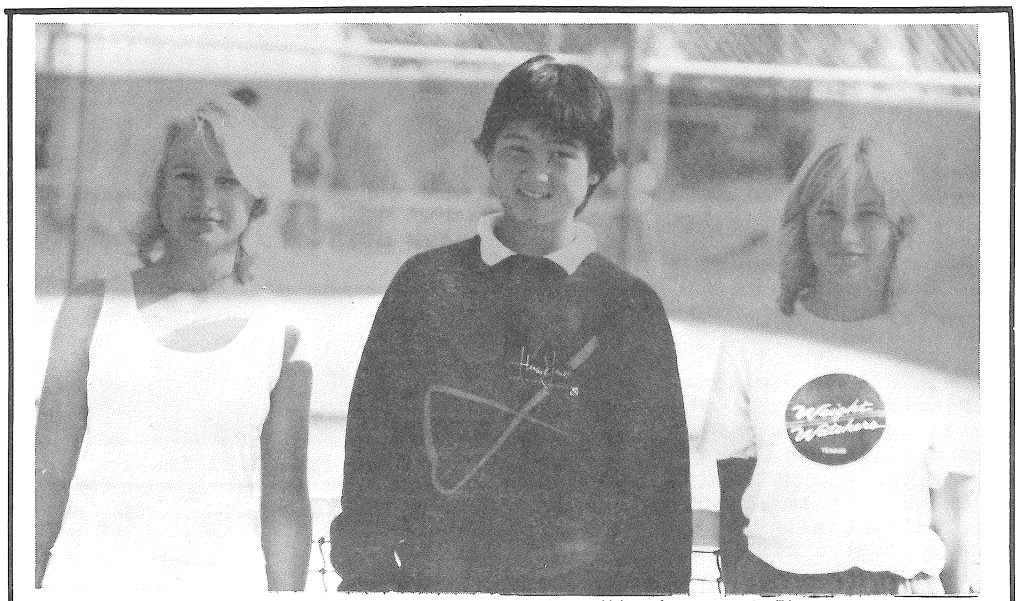
The 1986 Gaucho Track team had another successful season under the coaching of Sam Burns and Helen Lehman. The women's team demolished all of the RBAL teams to win the RBAL title and they also won their second straight NCS title. The men placed 2nd in the RBAL and an impressive 3rd place in the North Coast.

Both the men's and women's teams will lose runners to graduation but the Tracksters should again be strong next year.

Graduating senior Al Early was the league champion in the long jump, ran a leg on the 1600 meter relay team, and anchored the 400meter relay. Maurice Haynes is the only other sprinter that will not return next year. Haynes ran the 1600 relay and placed 4th in the RBAL meet in the 400. Outstanding distance runners Anthony John, and Stuart Wiseman will be heavily missed. Distance coach Helen Lehman feels that "Anthony and Stuart have a definite chance to qualify for the State meet."John won the RBAL 800 and North Coast 800 in 1:55.2. Wiseman placed 3rd at North Coast in 1:55.9. Wiseman placed an outstanding 2nd in the mile at North Coast. Returning next year for the base of the Gaucho team will be Donald Williams, Krekor Kermenian, Alex DaSilva, Jonathan Bradley, and Keith Dixon in the jumps.

While the men lost the RBAL TO berkeley 90-47 they did beat Berkeley in a dual meet for the first time in 8 years.

The womens team led by outstanding senior sprint star Tania Wood beat 2nd place Kennedy 119-54 to win the RBAL champions for the 3rd straight year.They also captured their second straight North Coast title. Wood won the 100 at North Coast and placed second in the 200. She also anchored the 2nd place 440 and mile relays. Kathy Miles and La Chanda Simon will both be missed in the sprints. Miles ran on both relay teams. The strong distance crew will lose 2-mile, mile league champion Teresa Poy. Poy placed 3rd in the North Coast mile Coach Lehman also feels that Teresa will be competing in the State meet. The women will have many returning runners next year and will continue their track dominance. Juniors Lauren Strickland, Veli Lehman, Debra Binnall, and Sophomores Semyrra Nelson, Marisa Gardella, Denise Corbin will lead the Gauchos.



Senior Carolyn Wei(m) and twins Kirsten and Shona Nelson.

Netters look for promising season

Both the women's and men's tennis team turned in solid performances this year. The women's team, competing in a strong league, finished at 2-8. The men's team, finished second in the RBAL, beating every team twice, but dropping two to Berkeley. The men's team finished at 6-2.

The outstanding senior on the women's team was Number 1 singles player Carolyn Wei. Wei was a dominant force in the league, losing her only matches to Berkeley. Wei is ranked in Northern California, and last summer, she won 6 out of the 7 tournaments she entered. Other seniors on the team were Alexandria Yen, Pauline Muk and Margaret Buttery.

The men's team was led by junior Chris Darling to a second place finish in the RBAL. The lone senior, Ignatius Loyola, was voted team captain. Loyola, a four year varsity player, turned in strong performances playing in the number one doubles spot.

The women's team was coached by Sue Rosenthal, and the men's team coached by Tom Chin. Next year looks bright for the women's team. Despite a major setback by the loss of Wei, there will be several varsity players returning. The men's team, looks even better. The top five singles players will all be returning, along with three of the four doubles players.

Rosenthal summarizes the women's season saying, "Playing in a very tough league, our won-loss record (2-8) was not scintilating, but senior Carolyn Wei did outstanding, taking second in the league in singles and also being named Junior Player of the Year by the Northern California Tennis Association. Many other team members made great strides in their development as tennis players. We expect another large, enthusiastic turnout for next fall's season."

For the men's team, freshman Alfred Miller was voted Most Inspirational and junior Edward Aw was chosen Most Improved. Team captains for next year will be sophomores Matthew Cone and Craig Wong.

Chin says of the season, "I feel even though our record was impressive, it's nothing to base the season on. But I feel all the guys had a good time and gained experience, and in that way it was a good season. I think we could have a very good season next year."

Soccer kicks up

El Cerrito added a new sport, soccer, to it's athletic program this year. Coached by Manuel Catao, the men's soccer team experienced a successful season.

Catao, a first year coach, previously played soccer for EC before graduating in 1982. The team had its share of ups and downs but overall had a very good first season.

Coach Catao immediately went to work and through weeks of training he converted EC's rusty soccer players into a strong soccer team.

EC was led by senior All-Leaguers Sean Mitchell and Ramsey Toubasey. Junior Larry Hengl also earned All-League honors and contributed greatly to the team's success.

Next season's team should be strong with returning players Kirk Edwards, Jose Guerrero, Jas Sikand, Darrien Nash, Rune Hoyer-Nielson, Sean Pryor and Hengl.

Although the Gauchos didn't make the playoffs this year, you can bet that they'll be there next year.

Softball is a hit

For Fred Gonzales, first-year softball coach, a last game victory over the rival Kennedy Eagles was a sweet way to end the season. The 6-2 win upped the girls' league record to 5-7 and overall 7-7, moving the Gaucho's into a second place RBAL tie with JFK behind undefeated Pinole.

"The girls really progressed throughout the season," Gonzales says. "They were willing to learn the way I coach, what I trying to teach. For having three coaches in the three years, they've done remarkably well."

Highlights of the 86' season included a 5-0 De Anza shutout, a victory over Berkeley(that broke a two game losing streak) and the first league win over Kennedy and the last game.

Senior Karla McGill.

With the team losing only one senior to graduation, Karla McGill, Gonzales is looking forward to a promising season in the new league. For the returning players, with a year of experience playing together under their belts, he feels they can only improve.

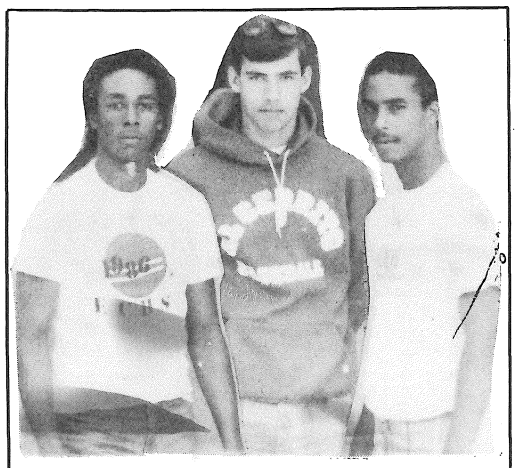
However, Karla's absence will be missed. For the past three and a half years, Karla has played sparkling defense in left field for the Gaucho varsity softball team. After a half season in JV, she was quickly promoted. Before that she played two years for a church team.

Karla plans to attend Sacramento State next year where she will major in Psychology. She also hopes to continue her softball career there.

Karla enjoys softball because she is "relaxed when I play. There is no other sport that I can really get into and enjoy."

For Karla, who was named to last year's All-League team and is a strong contender for this year's, the highlight of the season was getting a double off Pinole. "It showed me I could hit against Pinole which is tough to do," she explains.

SENIOR SLUGGERS SPARK SO-SO SEASON



Seniors Damon Evans, Michael Lawn, and Ben Roberson.

by Amy Page

The last game of the 1986 varsity baseball season proved to be the thrill of a lifetime for the Gaucho sluggers. The 6-2 extra-inning victory over league rival Kennedy Eagles was the perfect going-away gift for the three seniors on the team.

The Gauchos played spoilers as they knocked JFK out of first place and into second, giving the Pinole Spartans the RBAL crown.

El Cerrito finished the season in third place with a 6-6 league record and 12-11 overall.

Highlights of the season included a first game 9-1 victory over Hogan and an impressive showing at the Marin Catholic Easter Tourney where EC advanced to the Championship Game against Hialeah-Miami Lakes of Florida, last year's No. 1 ranked team in the nation. The Gauchos played tough but lost 7-3. The win over Kennedy was particularly memorable because of the rivalry, the upset, the last game for the seniors and "It's always good to win the last one," says Abel. "You like to end on a good note."

Other honors the Gauchos received this season include players named to the All-League team: junior Brad Brown made it as a pitcher, and seniors Damon Evans in the infield and Mike Lawn in the outfield. Senior Ben Roberson and junior Roger Tsurumoto were selected for Honorable Mentions.

Lawn and Brown were both chosen for the Marin Catholic All-Tourney Team, recognized for their outstanding play. Brown was also honored as a West County Times Athlete of the Week.

Abel praised the athletic performances and attitudes of all three seniors. "All did a fine job," he says. "They worked hard and showed good leadership. They're all good ballplayers. I hope they play at college level. They're definitely capable of going on."

All-League shortstop, senior Damon Evans will leave El Cerrito with two years varsity and two years JV experience under his belt, along with seven years of Little League play that included two trips to the World Series with the Richmond All-Stars in '80 and '81, and take it to Diablo Valley College where he plans to major in communications or business administration and to play ball. "I plan to take baseball as far as I can," he explains.

Evans finished the season with a .289 league batting average (.280 overall). He led the team in stolen bases with 12, in walks with 13, and in runs scored with 18. He also contributed 12 RBI's.

For Evans, the highlight of his career at EC was just "being able to wear the Gaucho uniform" because he overcame many doubts in his abilities to start every game the last two years. The Gauchos lead-off batter will also always cherish the memories of beating Kennedy the last game of his career, hitting a triple against JFK last year on the first pitch, getting honorable mention RBAL last year and All-League first team this season.

All-League senior outfielder Mike Lawn, who served as a utility player for EC will take his .315 RBAL batting average(.314 overall), his team high 21 RBI's, 4 sacrifices, 4 triples and lots of fond memories with him to Contra Costa College next fall.

There he plans to major in sports medicine and hopes to play baseball under Larry Quirico. Lawn has been playing organized ball since he was seven and says, "as long as I'm playing baseball I'm happy."

Lawn will always remember beating rivals Kennedy in his last game and going 3 for 4 with 3 RBI's last year against Pinole, the league champs. Highlights of his career include making the Marin Catholic All-Tournament team and the All-league team, and coming back from sitting out half the season last year (with mononucleosis) and playing well.

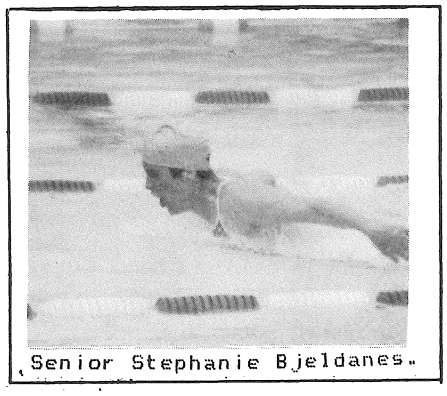
Ben Roberson, senior pitcher and first-baseman, hit .350 in league with ten walks and scored 11 runs for the Gauchos this year. Before that he played varsity baseball for Albany High in his freshman and sophomore years before transfering to EC. He played JV basketball here last year but was unable to participate on the baseball team.

Roberson has been playing baseball since he was nine years old and aside from Little League and high school ball, he participated in a Montclair Summer league where his pitching record was 5-0. He hopes to continue playing organized baseball at CCC where he will enter in the fall.

Roberson's favorite memories include beating Kennedy when he was walked four times, going 3 for 3 against Berkeley and being picked as an Honorable Mention for the All-League team.

All three seniors expressed high expectations for next year's Gaucho team and send their best luck. The El Caballero would like to congratulate them for the EC success and wish them the best of luck in their futures.

EC swimmers stay afloat



Senior Stephanie Bjeldanes.

by Jeff Pryde

The El Cerrito varsity girls' swimmimg team posted a 1-2 record in RBAL action and 4-4 record overall while the boys ran up an 0-3 record in RBAL action and 0-9 record overall.

The girls and boys teams both coached by Ron Rammer had small teams this year. Some of the members of the girls team included seniors Stephanie Bjeldanes, Karen Wilson, Kim Morrison, Jennifer Wong, junior Carina Pastor and freshman Chrissy Schultz. Junior Seymour Liao, sophomores Ken Hong, Jeffrey Pryde and Mike Ariyoshi anchored the boys team.

Despite their sizes both teams had some great individual swimmers Bjeldanes, swam the 100 Butterfly and placed high in the RBAL's. She swam the butterfly leg in the 200 medley relay at North Coast. She was joined by Morrison, Pastor, and Schultz. Schultz only lost one race this season which was to Berkeley's Katie Ornstein in the 200 Individual Medley at RBAL's at Contra Costa College Schultz swam 100 Backstroke at North Coast where she was seeded 9th. She also swam 500 Freestyle there.

For the boys, Hong placed 3rd in the 100 Fly and 500 Free at RBAL but missed qualifying times for North East by a few seconds.

Bjeldanes remarks "after the team overcame their financial difficulties some of our swimmers had their best times this year."
